October 2022

Outback by Air guests

Welcome to our Insights' latest news. We hope you're keeping well and looking forward to enjoying some insightful touring.

Firstly, a big thank you to all our guests who've travelled on our two tours since the last newsletter. *Outback by Air* which departed in late September and included some truly spectacular scenery. The verdant outback! With all the recent rainfall all the watercourses, floodplains and the Queensland Channel Country looking luxuriantly green. The images below were all taken during this tour. If you missed this year's departure, we have *Outback by Air* departing next September. Our customary small group maximum of 6 guests guarantees everybody their own window seat.

And in May we had 13 guests join us for *Central Tablelands Insights*. This 5 day/4 night tour of Central NSW travelled by chartered coach and some of the highlights included a specially-arranged guided tour of Wellington Caves, a screening at Manildra's Amusu Cinema, lunch and guided tour at Norman Lindsay's Gallery as well as the extraordinary Age of Fishes Museum at Canowindra. There was also a sheep dog stud, a sock factory and the Cowra Japanese Gardens.

Our next itinerary tour featuring coach travel will be *Hume Insights* departing next May. We'll spend 3 nights at Goulburn with daily touring to specially selected places in the region.

Ok! Here's the interesting part.... Our uniquely crafted itineraries ...
