

Taiwan Insights

Thursday 14th to Friday 29th November 2019

Taiwan Insights is a 16-day tour to the fascinatingly diverse island of Taiwan. Named Ilha Formosa, “beautiful island”, by 16th century Portuguese seafarers, it continues to live up to that description with monumental mountain ranges, lush tropical forests, dramatic sea cliffs and verdant agricultural lands. There is much to experience – natural beauty, fresh local cuisine, intriguing markets and the diverse cultures and history of Taiwan’s peoples, who have cultural ties and influences from many roots, including the fourteen Aboriginal tribes of Taiwan, China, Japan, and Europe. A comprehensive array of experiences coupled with our customary attention to detail and private coach touring will ensure you enjoy the best of Taiwan.
